Other Specifications

Pyro:

Pyro will be possible to use at Youngs pending the hazer license (see below).

Confetti:

We do allow the use of confetti at Youngs. All confetti use must be cleared with the venue production in advance. A cleaning fee of 1000,- NOK to be paid by artist for the use of confetti.

Hazer:

As of October 14 2019 we are not allowed to use hazer at Youngs Nede because of the nature of our fire warning system. A process of being allowed a license to use hazer for concerts have started with the building owner and the local fire department. Awaiting a solution for late November. Please email henning@youngs.no for any updates on this for your show.

General Info
